

Free 15-Minute Consultation

with

Stacy Davidson, FNP-BC

New to Medically Yours? Would you like to visit about your goals before you schedule a procedure? You want to make sure we're a good fit? Me too!

We partner with our clients in the pursuit of innovative health and skin care for all. So, I'm happy to give 15 minutes of my time to meet you and discuss your needs. Just call (928) 254-3676 to make an appointment for a free 15-minute consultation.

During your free consult, we will visit about your concerns, what you are currently doing, and what has worked or not worked for you in the past. There's no commitment; you don't have to make any decisions on the day of your consult. I'll provide you with some literature, answer your questions, and help you consider options. We encourage you to take the time you need to think things over.

Which free consult would you find helpful?

- Free Radiant Results Skin Consultation:** Skin conditions are health conditions, let's talk about healing your skin.
- Free Wellness Consultation:** Looking good starts with feeling good. Are you ready to love how you feel?
- Free Hormone Balancing Consultation:** Body changes are inevitable for both women and men; discomfort is optional.
- Free Bladder Control and Sexual Wellness Consultation:** There is no reason to suffer in silence anymore.
- Free Hair Growth Consultation:** Bothered by thinning hair? Ask me about solutions.

I look forward to meeting you!
